Acting Treasurer

On motion of Mr. Duffy seconded by Mr. Hamilton all per. bills presented were order paid - the amount of per. being \$63.42.

A membership campaign discussion followed - the Library growing rapidly more books needed - more help - it was suggested a statement for the City Fathers showing the progress of the Library should be submitted to them and try and get their approval to help in furthering its growth.

After a very pleasant evening meeting adjourned.

Elizabeth Kelly.
